

The Council for Citizens Against Government Waste Political Action Committee 2024 Candidate Questionnaire

The Council for Citizens Against Government Waste Political Action Committee (CCAGW PAC) will be endorsing candidates in the 2024 election based on their commitment to fight waste, fraud, abuse, and mismanagement and protect the taxpayers' money. Candidates who have not previously been included in CCAGW's *Congressional Ratings* must complete this form in order to be eligible for an endorsement. Please fill out the following questionnaire and return it to:

Email: Info@ccagwpac.org

- 1. Fiscal Restraint:** I will support efforts to shrink federal discretionary and mandatory spending; combat waste, fraud, abuse, and mismanagement; eliminate government programs that are obsolete, mismanaged, or duplicative; and root out corporate welfare. I will oppose tax increases.

YES NO UNDECIDED

COMMENT: _____

- 2. Budget Reform:** I will support budget reforms that provide for a simple and legally binding budget; promote the use of zero-based and biennial budgeting; put a cap on federal spending; implement sunset provisions; and secure truth-in-accounting procedures.

YES NO UNDECIDED

COMMENT: _____

- 3. Earmarks:** I will vote against earmarks, which are the most costly, corrupt, and inequitable practice in the history of Congress, and support a permanent ban.

YES NO UNDECIDED

COMMENT: _____

4. Price Controls: I will oppose government price controls and rate-setting on all goods and services, including broadband, groceries, housing, oil, and pharmaceuticals.

YES NO UNDECIDED

COMMENT:

5. Management and Procurement Reform: I will support efforts to reform the purchasing of goods and services by the government to ensure that they are purchased openly and competitively in a vendor and technology neutral manner.

YES NO UNDECIDED

COMMENT:

6. Government Efficiency Commission: I will support the establishment of a government efficiency commission.

YES NO UNDECIDED

COMMENT:

7. Technology and Telecommunications: I will support maintaining U.S. leadership on 5G and other emerging technologies. I will support reducing the tax burden on consumers of wireless telephone services and digital goods. I will oppose net neutrality, costly government mandates and regulations on broadband networks, and the building of government-owned networks where broadband services exist.

YES NO UNDECIDED

COMMENT:

8. Agriculture Subsidies: I will support the reduction and/or elimination of agriculture subsidies, price controls, and import restrictions for commodities like sugar, dairy, and peanuts. I will support market-oriented reforms of all federal farm programs.

YES NO UNDECIDED

COMMENT:

9. Free Trade: I will support comprehensive free trade agreements that include meaningful liberalization for all commodities and marketable goods. I will encourage the use of U.S. Intellectual Property (IP) protections as a baseline for all trade agreement negotiations.

YES NO UNDECIDED

COMMENT: _____

10. Intellectual Property Rights: I will protect and promote intellectual property (IP) rights and the enforcement of anti-piracy laws.

YES NO UNDECIDED

COMMENT: _____

11. Healthcare: I will support free market solutions to improve patient choice and lower healthcare costs. I will oppose Medicare for All and any form of price controls in the healthcare system. I will support empowering individuals and the states by removing control of healthcare policy and decisions from Washington, D.C.

YES NO UNDECIDED

COMMENT: _____

12. Antitrust: I will support efforts to maintain decades of antitrust legal precedent by upholding the consumer welfare standard and opposing efforts by federal agencies to take over entire industries or otherwise interfere with business activities that would increase innovation and maintain U.S. global economic leadership.

YES NO UNDECIDED

COMMENT: _____

13. Energy Independence: I will support efforts that will encourage more competition and lower energy prices, including restoration of the Keystone XL Pipeline and opening more federal land to energy exploration and development. I will oppose the Green New Deal and subsidies and regulations that distort the free market, prop up specific industries, or cater to special interests.

YES NO UNDECIDED

COMMENT: _____
